From A30 West and from Helston: at the bottom of the Marazion by-pass enter the roundabout, take the exit to Longrock. At the mini-roundabout, take the second exit, head towards Penzance and turn right opposite Longrock beach into the industrial estate. From A30 East: after passing through Eastern Green, go around the roundabout, take the exit to Longrock and go straight over the mini-roundabout. Head towards Marazion and turn left opposite Longrock beach into the industrial estate. Once in the industrial estate, take the first right and follow the road all the way around to the left. Park. Unit 20 is a working environment and visitors are advised to walk as close to the boundary fence on the left as possible. Le Loft is found at the far end of unit 20. Look for the garden!

Please note that after entering the industrial estate, you need to take the right hand turning between 'Cornwall Glass' and 'Bradfords'. Don't go straight ahead towards 'Thorne's' Go past 'Howden's' and 'Superior Fix' and look for 'Longrock Laundry & Linen Hire' on the corner of Unit 20. 'Peak Fitness' is to the right of 20K but in an adjacent compound. Be aware of the HGV exit on your left. Le Loft is at the far end of the building.
